

School Days Out Fundraising Contests

How cool would it be to have Steve's Snappin' Dogs cater at your school—for free? Well, your school has a chance to do just that by winning one of the School Fundraising Contests!

Schools that participate in the School Days Out fundraising program are eligible to compete against other schools to see who can raise the most money.

There are three different contests during the year:

1. January 1-March 31
2. April 1-June 30
3. October 1-December 31

The school which raises the most during a contest will win a free catered lunch at their school provided for by Steve's.

There is no limit to the amount of fundraisers your school can host—the more fundraisers your school does—the more money your school can raise. Whichever school has raised the most money wins a free catered lunch at your school's location. **Hot Dog!**
